

Assembly 2022

Assembly Chair Report

The 4th Assembly of the Daughters of the Holy Cross concluded with many blessings and new and old friendships being strengthened. We were blessed with the musical talents of Fr. Bill Blomquist and Sally Dixon that enriched our worship time.

It was very exciting to have Archbishop Foley Beach and his wife Allison with us Friday night for worship and dinner. The teachings from Bishop Lawrence along with the many breakout sessions were inspirational, uplifting, and thought provoking. Free time saw the assembly site being fully utilized, including the pool, the meditation chapel, the labyrinth, and the walking trail. We ended the Assembly with an outdoor feast of street

tacos, margaritas, and ice cream with churros. The rousing game of Bible “Jeopardy” was played enthusiastically, and it was a very close match! We know our Bible trivia!

Many thanks to everyone who helped make this assembly a success: my committee (Shelly Sorem, Sharon High, & Nancy Ford), and the everyone on the board who helped put bags together, make s’more kits, and carry luggage. A special thank you to Mary Jo Sawyer and Lori Pflugh from my chapter in Bakersfield who went above and beyond the call of service and helped by hanging names on doors, putting bags and candy in rooms, and setting up tables.

Donna Chaffee, Assembly Chair
